QUESTIONS AND RESPONSES #1

Question 1: Pages 31 and 32 of the IFB discuss the necessary insurance requirements and specify that Commercial General Liability should cover \$3 million in Professional Malpractice. Is the bidding agency required to have this coverage if the MDs and PhDs conducting reviews possess the necessary Malpractice insurance? If it is not required, should certificates of insurance be provided for each reviewer/reviewing entity in the bid package?

Response: **The Contractor is ultimately responsible for the services provided under the Contract and for the conduct of its employees and subcontractors; thus, the Contractor shall have the minimum insurance requirements listed in Section 3.5 of the RFP.**

Note: Please refer to the attachment titled "IFB Pre Bid Conference Transcript April 21" for responses to questions received prior to the Pre-Bid Conference.
